Re: Extension Request for Annual Report, Red Dome, Inc., Red Dome Volcanic Cinders,
M/027/032, Millard County, Utah

Dear Mr. Anderson:

Pursuant to the phone conversation on March 1, 1994 with Joelle Burns of our staff, regarding the request for submittal of the 1993 annual report, it is our understanding that you are requesting until the end of April 1994 to submit the report. This request will have to be denied. We will grant you until March 31, 1994 to submit the report. Rule R647-4-121 states that the annual reports are due on or before January 31st. We feel that a two month extension is allowing ample time for submittal of this basic report

Thank you for your prompt attention to this request.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
